

WINASH GAZETTE MARCH 2020 edition

Mini Concerts at Winash

Emma from Mini Concerts came to Winash, dressed in a green two piece, she sang and danced to Rock & Roll songs on a blustery Tuesday afternoon. She even managed to include performing the splits into her routine - an eye watering performance! She did really well.

Brownies Visit Winash

We enjoyed two evening visits from Clevedon Brownies, who came with small Lego sets. We worked together around the dining tables to build the sets, producing flowers, ice cream carts, a motorbike etc. The Brownies talked us through their badges, and what they needed to do to achieve them. Their uniform is very different to the ones we wore when we were Brownies.

A Ditty for March..

There was an old man from Wales, who met up with an Irish lady wearing bells
She went ding dong as she walked along and fell down over some rails...!
“Oh, my goodness!” He exclaimed, whilst bending over his horse’s reins
She lay amongst the daffodils, and said “Do you have any pills to cure my ills?”
Into his saddle he did fumble, and behold he found some paracetamol.
So off they rode together, to dance amongst the heather!
(And frightened the carers away!)

Important Scam Session here at Winash

Karen from NatWest Bank will be coming in on 19th March, to facilitate an informative 'Scam Session'. We will find out the different ways people may try to hoax you into giving them bank details. This session provides us with information, to help keep us safe, and an opportunity for Karen to answer our questions.

The Pirates of Penzance

We enjoyed going to the dress rehearsal, although not so, walking there on a cold wintry afternoon (Storm Dennis was in town!). The singers put a lot of action into playing their parts, but it was difficult to hear all the words that they were singing.

Winash Community Choir

Winash have organised a choir for residents, our friends and family. This is taking place every other Thursday afternoon. We have three songs (Hey Jude / Hey There Mister Postman & Delilah) to learn and it is proving very popular with residents and some of our family members. We hope that in the summer we will be able to give a concert in our new garden - maybe with some Pimms?!
