

December 2021

Dear Friends and Relatives of Winash,

Re: Christmas PRC testing

We have previously conveyed that if a resident is going out over the Christmas period, friends and relatives need to do a PRC test on the 19th or 20th of December and drop it into Winash for us to register the test and send it off to the lab. Further details are as follows:

- Test kits can be collected anytime from now, up until the 20th of December.
- **Everyone**, secondary school age or above, who will be present at the property that the resident is visiting will need to do a PRC test.
- The test should be carried out on the 19th or 20th of December and dropped in to Winash on the day of the 20th of December, **before 3pm.**
- Do not register the test yourself. Winash will register all tests before they are sent to the lab.
- You will be required to provide the following information to enable us to register the test. The information you provide will not be stored; it will be shredded on the 20th of December:
 - Name
 - Address (incl. postcode)
 - Date of birth
 - Mobile phone number
 - Date and time the swab was taken
- The mobile number you provide will be used for you to receive the test result via text. We will use our Winash email address to also receive a copy of the result.
- Should you be visiting from a distance and therefore are unable to bring the PCR test to Winash on 20th December, we ask that you do a postal PCR test or visit your local test centre. In these circumstances, please register the test yourself using the email address heather@winash.co.uk and use our unique identifier number 10090840.
- Should any test come back positive, you will be notified, and the resident will not be able to attend the property where the infected person is isolating.

Everyone who is coming to Winash to pick up their relative will also need to have done an LFD test prior to arriving and will need to have registered it themselves, so they can show care staff the negative result via text or email.

If you have any further questions, please let us know.

Yours sincerely,

Heather House & Natasha Chapman
